Emanu-El Michael signed the rental agreement on June 18, 2007 and used as identification a CIBC VISA credit card and an International Driving Permit. The investor provided the following documents which arose from his dealings with FSPT:

- (a) Promissory Note: Executed on May 7, 2009 between FSPT and the investor which provides that the investor is providing funds (\$50,000 up to \$100,000) to FSPT so that a new subsidiary of FSPT entitled "First Swiss Private Trust Company AG - Canada can be formed and in return the investor will receive by election "either collecting interest, payable at ten percent (10%) per annum effective for a twelve (12) month participation and initial principal, or exercise an option to convert the proceeds into one-half (.5) percent to one percent (1%) ownership of First Swiss Private Trust Company AG – Canada shares."

FSPT is listed as having the following address: 408 – 800 15355 24 Avenue, White Rock, BC, Canada, V4A 2H9.

The legislation

14. Section 31 of the *Financial Institutions Act* ("Act") states:

31 *A person must not use*

(a) *any of the words*

(i) *"trust" or "trustee",*

(ii) *"deposit" or "loan", or*

- (iii) *"insurance", "assurance" or "insurer", or*
- (b) *any other words in connection with the business of a person, in a way likely to*
- (c) *deceive or mislead the public about the ability of the person to undertake trust business, deposit business or insurance business, or*
- (d) *give a false impression that the person is a trust company or insurance company, as the case may be.*

15. Section 70 of the Act states:

- 70 *A corporation must not carry on trust business in British Columbia unless the corporation is*
- (a) *a trust company, an extraprovincial trust corporation or a credit union that has a business authorization to carry on trust business,*
 - (b) *a law corporation as defined in section 1 (1) of the Legal Profession Act,*
 - (c) *[Repealed 1998-9-100.]*
 - (d) *a corporation that is carrying on the business of a trustee in bankruptcy, receiver, receiver manager or liquidator and that is licensed as a trustee in bankruptcy under the Bankruptcy and Insolvency Act (Canada), or*
 - (e) *a corporation that is carrying on a prescribed trust business or class of trust business or a prescribed corporation or class of corporations that is carrying on a prescribed trust business or class of trust business.*

16. Section 244 of the Act provides in part:

- 244(1) *In this section, "committing an act or pursuing a course of conduct" includes failing or neglecting to perform an act or failing or neglecting to pursue a course of conduct.*
- (2) *If, in the opinion of the commission, a person is committing an act or pursuing a course of conduct that*
- (a) *does not comply with this Act, the regulations or the Company Act as it applies for the purposes of this Act,*
 - ...
 - (c) *might reasonably be expected to result in a state of affairs not in compliance with this Act or the regulations, with the Company Act as it applies for the purposes of this Act or, in the case of an extraprovincial corporation, with the Business Corporations Act,*
 - ...

then, the commission may

- (f) order the person to*
 - (i) cease doing the act,*
 - (ii) cease pursuing the course of conduct, or*
 - (iii) do anything that the commission considers to be necessary to remedy the situation, or...*

17. I find that the persons holding themselves out as directors and officers of FCPT during the time in question are controlling minds of FSPT, namely:
 - (a) Desmond Noel Michael (variously named as chairman or president of the board of directors and chief executive officer);
 - (b) Ronald Langner (as FSPT Corporate Secretary);
 - (c) Charles Miller (as a Director and the Compliance Officer)
 - (d) Robert Lamblin (as a FSPT Director), (collectively, the FSPT Principals).
18. Based on the location of the HSBC branch receiving the funds, business letterhead, business cards, mailing address, telephone numbers and location of controlling minds, FSPT is conducting or purporting to be conducting trust business in British Columbia, contrary to section 70 of the *Act*.
19. Furthermore, FSPT is operating in a manner that could deceive or mislead the public into believing that FSPT is authorized to conduct trust business in British Columbia since it has solicited investment from British Columbia residents under its corporate name to further Canadian trust business in the formation of a Canadian trust company, contrary to section 31 of the *Act*.
20. I find that the FSPT Principals, in controlling the actions of FSPT in British Columbia, are committing or pursuing a course of conduct which, pursuant to Section 244(2)(c) of the *Act* might reasonably be expected to result in a state of affairs not in compliance with the *Act*.
21. I find that Emanu-El Michael, as registered owner of the FSPT website and procurer and continued renter of the White Rock mail box for FSPT, is facilitating and assisting in the contraventions of the *Act* by FSPT and its principals, and as such he is committing or pursuing a course of conduct which, pursuant to Section

244(2)(c) of the *Act* might reasonably be expected to result in a state of affairs not in compliance with the *Act*.

22. I further agree with Staff that it would take approximately 2 months to schedule a hearing into this matter and approximately 9 witnesses would be required to provide evidence to be considered at the hearing. As a result, a summary order to cease and desist is warranted pursuant to section 238(1)(b) of the *Act* against FSPT and the FSPT Principals and Emanu-El Michael in order to protect the public interest and maintain confidence in the integrity of financial institutions in the Province of British Columbia.

WHEREAS the Financial Institutions Commission has delegated to the Superintendent the powers and duties under section 244 of the *Act* in the Instrument of Delegation executed December 18, 2009;

NOW THEREFORE the Superintendent orders pursuant to Sections 244(2)(a),(c) and (f), and 238 of the *Act* that:

- 1) First Swiss Private Trust Company AG cease using the term "trust" in its business name, marketing, and business activities in British Columbia;
- 2) First Swiss Private Trust Company AG cease conducting trust business in British Columbia;
- 3) Desmond Noel Michael, Ronald Langner, Charles Miller, and Robert Lamblin cease conducting business activities in British Columbia, including those associated with First Swiss Private Trust AG, in such a manner which might reasonably lead to a corporation conducting trust business in British Columbia; and that each of them direct First Swiss Private Trust Company AG to cease conducting trust business in British Columbia and using the term "trust" in its business activities in British Columbia; and
- 4) Emanu-El Michael cease facilitating First Swiss Private Trust Company AG's trust business activities and use of the term "trust" in its business, including that he no longer maintain a post office box for use by First Swiss Private Trust Company AG and cease marketing of First Swiss Private Trust AG through his website.

TAKE NOTICE THAT First Swiss Private Trust Company AG, Desmond Noel Michael, Ronald Langner, Charles Miller, Robert Lamblin, and Emanu-El Michael may each request a hearing before the Superintendent under section 238(2)(a) of the *Act* or appeal to the Financial Services Tribunal under section 238(2)(b) of the *Act*.

Dated at the
