Re: Changes to Filing Requirements

This letter is to advise that the Financial Institutions Commission (FICOM) has made housekeeping changes to the regulatory filing requirements for extra-provincial life insurance companies and fraternal benefit societies operating in British Columbia (BC).

Changes to the filing requirements include:

- replacing MCCR/TAAM with LICAT/LIMAT effective from Q4 2018; and
- including submission format in new Comments column to clarify required format.

Attached are the updated filing requirements for extra-provincial federally regulated and extra-provincial provincially regulated life insurance companies and fraternal benefit societies. The updated filing requirements are also posted on FICOM's [website](#) under Financial Institutions > Regulatory Filings > Insurance.

Please note all regulatory filing requirements are subject to the [Non-Compliant Filings Administrative Penalty](#). It is the responsibility of the financial institution to be fully aware of its regulatory obligations, including its filing requirements, and to comply with them.

If you have any questions regarding the above changes to the regulatory filing requirements, please email filings@ficombc.ca or contact Tunde Szinku, Senior Analyst at Tunde.Szinku@ficombc.ca.

Sincerely,
